AT

Subject:- Specifications for constructions/special repairs of link roads.

Ref:- In continuation of this office letter No. 14330-62 dated 28.10.2009.

Vide letter under reference, instructions have been issued for the specifications to be followed for construction and special repair of link roads. In the instructions 1st coat/surfacing on new roads is to be done with binder @ 1 kg per sqm and bajri 13 mm size @ .010 cum per sqm as per MORTH clause 510.2.3. Similarly tack coat on black top surface is to be laid @ 30 kg per 100 sqm.

It is made clear that these instructions shall be applicable for all the on going works irrespective of the provisions in the DNIT with effect from 28.10.2009. In case of any violation concerned

P. T. O.

SE/Xen/SDO/JE shall be held responsible for the consequence thereof. Further, it has been decided that after laying 1st coat/surfacing, premix carpet shall only be allowed after videography of the surfacing done at site and the record of videography shall be maintained in the office of S.E and E.E. concerned. SE (Q.C.) and team of Head Office shall check randomly all such works in due course of time.

Please acknowledge the receipt of this letter.
