Dated, Panchkula the:- 20-9-99

Subject:- Details of Physical & financial position on Annual Maintenance of Roads in HSAMB during 1999-2000.

\*\*\*

As per the decision taken by the Hon'ble Chief Minister on 12.8.99, a special campaign has been launched by HSAMB for repair of all the roads constructed by Market Committees as well as transferred by PWD B&R Deptt. to HSAMB. These roads are likely to be rehabilitated with major repairs, like strengthening, Raising etc. As per the schedule fixed for the estimation process, similar treatment will also be given for Market Committee roads. Thus there will not be any need for Annual Maintenance of roads for the time being.

To consolidate the expenditure upto 1.10.99 on Maintenance, you are requested to submit physical and financial position of works taken up under Annual Maintenance in this financial year, in the enclosed proforma. No further work on Annual Maintenance should be taken up on roads till further orders, as the heavy repairs works are being taken shortly.
