**Request for Expression of Interest (EOI) for Setting up of Various Eligible Projects through PPP Mode under Agriculture Infrastructure Fund (AIF) Scheme in Haryana**

The Haryana State Agricultural Marketing Board was set up on 1st August, 1969 for exercising superintendence and control over the Market Committees of Haryana. The primary objective of the HSAMB is to set up marketing infrastructure for better regulation of the purchase, sale, storage and processing of the agricultural produce within the framework of the Punjab Agricultural Produce Markets Act, 1961 and Punjab Agricultural Produce Markets (General) Rules, 1962.

The HSAMB has created a network of market yards in the State to promote the interest of the farmers and facilitating the buyers and the detail of the same is as under:-

- The excellent facilities for marketing of agricultural produce through 113 Principal Market Yards, 174 Sub Yards and 195 Purchase Centres, 33 Fruit & vegetable mandis, 25 Fodder mandis has been created;
- Out of 113 APMCs, Weigh Bridges have been installed in 41 APMCs at entry and exit gates;
- The HSAMB has constructed 94 godowns in the State with total capacity of 4,14,850 ton. Most of these godowns have been rented out to the procurement agencies i.e. HAFED, HSWC and Food & Supplies Department for storage of food grains;
- The HSAMB has set up 14 pre-coolers with small cold storages in the State for potato, tomato, onion and for ripening of bananas;
- The HSAMB has integrated 81 Mandies of the State with e-NAM platform to facilitate online trading and better price discovery for the commodity to be sold as per the guidelines of the GoI;
- In addition to above, the HSAMB has created a network of about 12000 km length of rural link roads to facilitate the farmers in bringing their produce to Market Yards and the State procurement agencies / private buyers for easy transportation of purchased produce. All the Market Yards in the State are well connected with the NH / SH through metalled road.

The HSAMB, under the Agriculture Infrastructure Fund (AIF) scheme, intends to promote the setting up of infrastructure for various post-harvest management of food grains and community farming assets at various market yards located all across Haryana under PPP mode. Under AIF scheme, beneficiaries can get **Interest subvention of 3% p.a.**, limited to INR 2 crore from participating banks. The HSAMB will provide land on lease basis for 25 years for setting up of such infrastructure. The HSAMB will also provide the right of way for the land provided for this purpose. The water supply and electricity facilities are available in all the Market Yards.

The HSAMB is inviting Expression of Interest (EOI) from the eligible entities for setting up of agriculture related infrastructure projects on PPP basis at various market yards in the State. The list of tentative projects is as under:
