Sub:

License of U/s-10, of category-I (to be issued for processing units) and license of category-II (for Kacha Arhtiya/ Commission Agent) illegally issued on the same name of firm/processing unit—Non renewal thereof.

It has been observed that in many of the Market Committees specially in the Cotton Zone, licence of U/s-10 of category-I (to be issued for processing units) and license of category-II (for Kacha Arhtiya/ Commission Agent) have been issued on the same name of firm/processing unit, which is against the rules/provision of the Act and against the interest of farmers.

You are therefore, again directed to ensure that such two licences of Category-I & II should not be issued in the same name for which earlier directions were also issued vide circular No.139, letter endst No.ME-I-A-III-2013/55722-850 dated 10.09.2013 (copy enclosed).

You are also directed that one of such both licences issued in one name should not be renewed after 31 March, 2015. If anyone grants /renews such a licence after 31st March, 2015 then the concerned Secretary Market Committee and the DMEO will be held personally responsible.

Any laxity in this regard will be viewed seriously and disciplinary action will be taken against defaulting officer.
