

## **Krishak Uphar Yojna, 2019**

Krishak Uphar Yojna was launched to encourage the farmer to bring all his surplus agri produce in the notified mandis and claim J-Forms from his arthiya. Further, to increase the business of commercial crops, the scheme was modified and it was felt that an incentive may be created for the farmer to claim J form on a regular basis from his arthiya, so that all the transactions of sale/purchase of agricultural produce are actually recorded. Therefore, some attractive prizes at the Market Committee level and some big prizes at the district level will be given to the farmers who succeed in the draw of lots of their gift coupons. These prizes are proposed for both the Rabi as well as Kharif seasons.
